

The Crest of the Daughters of Divine Hope

The Triangle

Is a symbol of the Most Holy Trinity, source of our life and hope. Our loving Father, His eternal Son, and the Holy Spirit who invite us to share in their communion of love. The triangle can also remind us of the three degrees of Holy Orders :

*O Holy Trinity, we desire to live in you. We give our lives to your service.
May our very being give you glory.*

*O Holy Trinity, we pray in gratitude for the men
who give their fiat to your call to Holy Orders.
Please accept the liturgy of our daily lives as an acceptable prayer for them.*

The Cross

Is a symbol which calls to mind the Paschal sacrifice of Christ, who gave us his Sacred Body and Blood as our food and drink for life everlasting, who established His Holy Church, and who instituted the priesthood for our salvation.

*O Lord Jesus Christ, our Hope, we love you and worship you, beloved Spouse.
We humbly offer all that we are; for our life is your gift.
May this gift bring glory to your name, strengthen your men in Holy Orders,
and bring hope to the people of God.*

The Rose

Is a symbol of Mary, the Mother of Divine Hope, who knelt in prayer at the foot of the cross, full of Hope in the promise of her son and in the love of God.

*O Lord, following the example of your Most Blessed Mother, we place ourselves
in the glorious shadow of your cross. We kneel before the Holy Trinity,
ready to wash the feet of your ministers and bind with Hope the wounds of your people.
May our prayers and works give you praise and be signs of your Hope.*
